

SHAPE ART: Pastel Drawing

Artist's Name:

	LEVEL 4	LEVEL 3	LEVEL 2	LEVEL 1
Thinking	You followed all the instructions. Nothing was missing in your project!	You followed most of the instructions, but might have missed one or two steps.	You followed some of the instructions, but forgot to include at least half of the parts.	You didn't follow most of the instructions. Your project is missing most of the required parts.
Knowledge and Understanding:	Your pastel drawing incorporated lots of new concepts and previous knowledge. It showed you learned a lot!	Your pastel drawing included some new concepts and previous knowledge. It showed you learned a few new skills during this project.	Your pastel drawing included only a few new concepts and a little bit of previous knowledge. It could have showed off your learning more clearly.	Your pastel drawing didn't include what it should have - only one or two new concepts or a little bit of previous knowledge. It didn't show your learning well at all.
